RE: Calhoun County Health Department Document Production;  
United States of America v. City of Albion, Michigan,  
Case No. 1:97-CV-1037 (W.D. Mich.)

The Calhoun County Health Department produced documents in Lansing pursuant to our Subpoena on Tuesday, May 19, 1998. We have undertaken to copy all of the files produced, and will be providing, at their request, copies to Third-Party Defendants Cooper/Corning (Dan DeWitt) and Decker Manufacturing (Alan Wasserman).

If anyone else on this distribution list would like a copy of the Calhoun County Health Department documents, or would like to review those documents, please contact our paralegal, Faith Heikkila (616/336-6704). We will be having these County Health Department files copied this week, so it would be easier if you could let us know immediately of your interest in obtaining a set of these documents.
